FAIRMONT
EL SAN JUAN HOTEL

Grand Ballroom Terrace

A NIGHT OF ENCHANTMENT

Some days deserve the grandest of celebrations. A day where you mark the closing of one chapter and toast the beginning of the next. Where beloved friends and family gather at Puerto Rico's most iconic address, with fabulous mid-century surroundings, gourmet cuisine and bottles popping all night long.

For the once-in-a-lifetime milestone of prom, give them the best, at Fairmont El San Juan Hotel.

THE PERFECT SETTING

No matter the size or personality of your prom, it's a time to celebrate achievement and to toast a brilliant future. With 7,000 sparkling crystals, our lobby chandelier sets the stage with an enchanting introduction before giving way to the spellbinding ocean views and elegant decor of our Grand Ballroom. With capacity for 800 seated guests and 11,040 square feet (1,026 square meters) of space, there's room for everyone and everything you need.

Or perhaps your style leans more toward the outdoors, the sound of waves on Isla Verde Beach complementing the evening's playlist. Choose a setting that's uniquely yours, whether poolside or around our signature 300-year-old banyan tree. And the fun doesn't have to stop once the main event is over. The ultimate after-party? A takeover of BRAVA, Puerto Rico's most sought-after nightclub destination, or a private rental of Tropicoro or Gold Room for more celebration.

A WORLD OF FLAVORS

Our kitchens serve the finest of traditional Puerto Rican flavors, as well as creative, contemporary dining inspired by global tastes. Locally caught seafood and seasonal produce are always on offer. Our island's historic connection to fine spirits and cocktails can be incorporated into your event however you see fit—along with a delicious selection of non-alcoholic beverages for those under 18.

Browse our menus to put together a mouthwatering feast for all the senses, either as a buffet or plated service. Once the party's underway, surprise your guests with late-night food stations to keep the energy up, from local fritters and asopao to freezie pops and bacon popcorn.
